The North Notts Business Awards is the premier event in the region's business calendar. We'll be celebrating the brightest stars of our region, highlighting the expertise, achievements and outstanding contribution that these businesses and individuals make to the local economy.

It's an exciting process with oodles of positive promotion for all involved as we set up for the launch, in the 6 months run up and after the awards ceremony too.

Solely funded through sponsorship, the Awards are only possible with the much appreciated support of both local businesses and national organisations. That's companies just like you.

Why Sponsor the North Notts Business Awards?

The North Nottinghamshire region is jam packed with brilliant businesses of all sizes and in all sectors. The Business Awards celebrate this and show the region what's available right on their doorstep, encouraging local inter-trading and improving local supply chains. This in turn helps to stimulate growth and job creation. The success of the awards and all who contribute also helps to promote this amazing emerging business region as an excellent place to do business and attract outside investment. This benefits absolutely everyone including you.

Sponsoring the awards offers you great opportunities to gain recognition and excellent media exposure for your organisation at comparatively very little cost. The Business Awards attracts your target audience, helping you to significantly raise your brand awareness and take advantage of numerous opportunities.
